KATO[®] THREAD KITS

Perma-Kee[®] Kits

KATO Thread Kits is proud to introduce an all-in-one solution designed to make thread repair fast and easy. Built for durability, Perma-Kee inserts provide strong, secure threads that hold up in demanding applications.

Each Perma-Kee Kit includes:

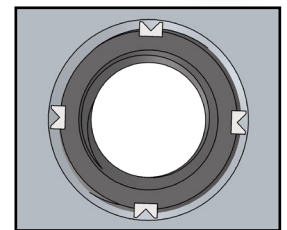

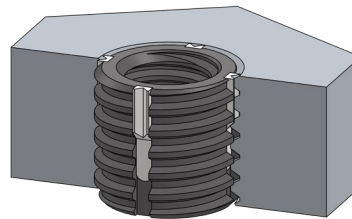

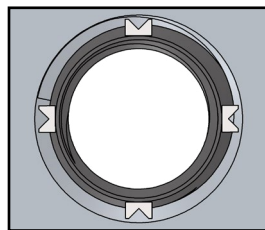

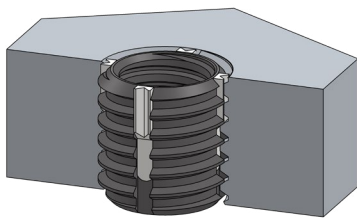

- HSS drill
- HSS tap
- Installation tool
- Two to four Perma-Kee inserts

Installing Perma-Kee inserts is simple and efficient. Once in place, they create a permanent, wear-resistant thread that works in lightweight materials, steel, and cast iron applications. Whether used in original equipment or to repair damaged threads in expensive components, Perma-Kee inserts offer a practical and cost-effective solution.

Perma-Kee Kits are an essential tool for a variety of industries. Order your Perma-Kee Kit today!

KIT INCLUDES:

- (1) HSS DRILL
- (1) HSS TAP
- (1) INSTALLATION TOOL
- PERMA-KEE INSERTS (See Table)

Thinwall Part No.
